The Celebration of Grassroots Organizing in Boston (formerly the “Lobster Feed”) is a collaborative event bringing together movement organizers and donors, and raising funds for 11 local partners. Our partners spent the last year sustaining the neighborhoods most impacted by COVID, fighting on the front lines of the movement for Black lives, and defending communities from the harms of gentrification, policing, deportation, climate change, and more. Together, we raised $110,000 for justice and liberation in Boston!
