Who We Work With

Movement Sustainability Commons sponsors projects that are aligned with our mission and with laws governing tax-exempt activities.

Projects may be:

- Established groups, projects or campaigns that do not have 501(c)(3) status
- Established groups that are interested in sunsetting their 501(c)3 status
- Organizations or partnerships that are starting up new tax-exempt activities
- Efforts seeking one-time or time-limited sponsorship

We do not fiscally sponsor projects that:

- Do not align with [our mission, vision and values](#)
- Do not abide by laws governing tax-exempt activities
- Have international activities involving financial transactions
- Primarily benefit a for-profit business or a non-charitable purpose

How to Apply

There are 4 steps to apply for fiscal sponsorship with the Commons:

1. Read these two documents: [Movement Sustainability Commons Overview](#)
[Fiscal Sponsorship Overview](#)
2. Complete this [inquiry form](#), tell us about what you do.
3. [Meet with us to learn about each other](#) and whether our services are a fit for you.
4. If invited, [complete our full application](#) (updated March 2022)

This process takes 1-2 months to complete, though if needed we can try to move more rapidly.
